

**NOW EACH  
COMMUNITY  
CAN CONTROL  
THEIR OWN  
ECONOMY!**

## IT'S SIMPLE

**Register:** Get your community to sign up

**Grow:** As more people join, more businesses will want to SAVE too

**Save:** Everyone saves tens of thousands, and you could double your retirement!

**I can't believe how cool this is!**

# Unbelievable?

- It's possible because when families, friends, schools, and local groups register; local banks, credit unions, and businesses would like to **SAVE** money and will support you just like the communities of the past used to.
- They'll share their savings with you, the first time and every time. Money that you can keep on deposit or spend at their locations.

**It is all PAID out of SAVINGS!**

**SAYVES shares 50% of our Net  
Income as InCash to help support  
YOU and local businesses!**

Get three people to register and get \$25

Get 5 to register and YOU get \$50

Get 10 to register and receive \$150

Plus businesses pay you thousands in merchant Cash!

**Get paid to SAVE money!**

# TECHNOLOGY HAS NEVER BEEN THIS FUN!

Businesses save and earn more by collaborating rather than competing. Everyone benefits by joining together as communities should, empowering all.
